WordPress

Default featured image

Default featured image is the image that appears at the top of your blog post. It is a great way to grab the reader's attention and make your post stand out. You can upload a featured image from the WordPress dashboard or from a third-party image service like Shutterstock or iStockphoto.

Default featured image

説明

[インストール](#) [FAQ](#) [更新履歴](#) [スクリーンショット](#) [レビュー](#)

Add a default featured image to the media settings page. This featured image will show up if no featured image is set. Simple as that.

Take a look at [FAQ](#) for the basic questions.

Feel free to contact me [on the forum](#) or on the [github repository](#).
